June 2013

Dear Parishioners,

Cringleford Neighbourhood Development Plan – FINAL DRAFT

The Parish Council is grateful to all of you who took the trouble to come to the exhibition and to make comments on the draft Neighbourhood Development Plan which was circulated in January 2013. Most of the comments were positive and definitely helpful. The Parish Council Plan team has worked through the comments, as well as those from the local authorities and statutory consultees and made amendments to the Plan, some of them quite extensive.

We are, therefore, seeking any further comments on the Revised Version of the Plan enclosed with this letter. Of course, your views will be taken into account and any necessary changes included in what we hope will be the final version.

The Plan Team will then prepare the submission version of the Plan, endeavouring to make sure that it complies with local, national and statutory requirements and will be robust enough to stand up to scrutiny by an independent Examiner, who is an expert in the area of neighbourhood planning.

Please take time to look through the Revised Plan and make your comments. **You will have until the 23 June 2013.** You can make these in one of three ways. You can complete the form on the back of this letter and send it to the Parish Clerk at the above address, e-mail your comments to her at clerk@cringlefordparishcouncil.gov.uk, or hand it to any Parish Councillor.

The Plan is also available on the Parish Council website www.cringlefordparishcouncil.gov.uk.

Please let us have your comments by 23 June 2013 and thank you once again for your help and support in preparing the Neighbourhood Development Plan.

Yours sincerely,

Gerald Mole
Chairman of Cringleford Parish Council
