

How would you spend it?

your view on sports and leisure facilities

Deadline: 7 September 2020

Over the next few years, **Cringleford Parish Council** will receive a substantial sum from the Community Infrastructure Levy (CIL) due to the large number of new homes being built in the area.

The money is tightly restricted and can only be used to support infrastructure or anything else that is concerned with addressing the demands that development places on the area.

We need your help to decide what we develop. The Willow Community Centre already hosts many indoor activities for adults and children, but outdoor activities and indoor sports are not well catered for yet.

We need some preliminary ideas from you to help shape our future plans.

This is a great opportunity for Cringleford and for individuals to make sure their views are taken into account. Please help us get it right by completing the survey.

What happens next?

We will gather the ideas and publish them, alongside a more formal consultation phase when they will be displayed on our website.
